

POLICY AND PROCEDURE

HONORARIA

Purpose:

This policy is to provide structure for determining the mechanism for paying an honorarium for OAMSS Conferences.

Policy:

OAMSS acknowledges the variety of resources available for securing speakers for educational activities. Sources include nationally recognized independent speakers, nationally recognized independent speaks, nationally recognized speaker's bureaus, NAMSS faculty and OAMSS members to name a few.

Final approval of activities and selected speakers rests with the President-Elect after consultation with the OAMSS Board of Directors.

Nationally recognized speakers, including NAMSS faculty, will negotiate their charges and other related expenses with the President-Elect. Final approval rests with the Board of Directors. Should a guest speaker wish to attend the OAMSS Conference to receive CEUs, he/she is expected to pay the registration fee of the conference.

Current OAMSS members invited to speak at an OAMSS conference will be paid \$100.00 honoraria. The OAMSS member is expected to pay the registration fee and all other conference expenses, if attending any other portion of the conference.

OAMSS Board members are expected to contribute to the organization through educational activities. Board members will not be given an honorarium.
